

Stafford High School Handbook

My child and I have read the Stafford MSD Band Handbook and understand fully the content contained and the spirit of intent by which it is written. We also understand that if at any time, and/or for any reason, my child cannot follow the policies and guidelines set forth by the Director, Classroom Teachers, or School Administration, he/she will be subject to any of the consequences stated in this handbook as well as the consequences stated in the Stafford High School Handbook. Furthermore, we are all here to work together to make Stafford High School Band an outstanding organization. We also acknowledge our intent to contribute positively, as a parent and student, to the Stafford MSD Band Program. The handbook can be found online at www.smsdband.com.

Uniform Check Out Agreement

The uniforms that the students are using and wearing throughout the school year average about \$400.00 a uniform. Certain care must be taken when the students are in possession of these uniforms. The uniforms are to be hung up in an appropriate manner and never left folded up anywhere. The students will be held responsible for the cost of any damage done to the uniform or if the uniform is lost while in their care. The uniform must always be checked in the way it was checked out!

Permission to Treat

We give any Stafford Municipal School Band Director permission to authorize medical treatment for my child in the case of emergency during a Stafford Band Function. I also give permission for my child to participate in all trip/functions with the band program.

My parents and I understand the statements above and fully agree and will comply.
